Before you watch: spot the hidden variable

3 pictures

PICTURE 1

Two plants, same water, same soil. One is on the windowsill, one is in the cupboard. What's different?

PICTURE 2

Two jars of sand drain at different speeds. The sand looks the same colour. What could be different?

PICTURE 3

Two runners race twice. The first time it's windy, the second time it isn't. Is it a fair race?
