Discussion prompts for the story circle

For the Saturday story circle

OPEN
What did you notice first? What did you wonder?

CLUES
Find a sentence that tells you something without saying it. What does it tell you?

PEOPLE
How does Grandmother feel? How do you know? Would you feel the same?

DISAGREE WELL
“I see it differently, because the text says…” Use the words to disagree.

For the host: let silences sit. Ask “where does it say that?” more than “is that right?”.
